MEMORANDUM FOR: Acting Director of Central Intelligence

SUBJECT: Proposed NSA Legislation

REFERENCE: Memorandum from OGC to ADCI dated
23 August 1957, same subject.

1. This memorandum contains a recommendation for approval of the Acting Director of Central Intelligence. Such recommendation is contained in paragraph 4.

2. Attached is a proposed letter to the Bureau of the Budget containing our comments on the proposed NSA legislation. The position set forth in the letter has been drawn from the memorandum of 23 August 1957 (Reference A) to the Acting Director which was prepared in an effort to establish an Agency position to present to the President's Board of Consultants.

3. As the proposed letter now stands, it is unclassified and does not go into details of the substantive reasons for our position. However, we believe this is sufficient information to put into the record with the Bureau of the Budget at this point and, if desirable, we can supplement it with discussions with appropriate Bureau of the Budget personnel.

4. Your approval, therefore, is recommended in the forwarding of this letter to the Bureau of the Budget.
